

# Curriculum Vitae

## Mitsunori Araki / 荒木光典

Research fellow,  
Center for Astrochemical Studies, Max-Planck-Institut für extraterrestrische Physik  
Visiting Associate Professor,  
Department of Chemistry, Faculty of Science Division I, Tokyo University of Science

### OFFICE ADDRESS:

Giessenbachstrasse 1, Garching bei München, 85748, Germany  
TEL: +49-89-30000-3314  
e-mail: araki@mpe.mpg.de  
[http://molecules-in.space/mitsunori\\_araki.html](http://molecules-in.space/mitsunori_araki.html)

DATE OF BIRTH: 14 June 1971  
NATIONALITY: Japanese  
LANGUAGE: Japanese (Native), English (Conversant)

### EDUCATION:

Ph.D. in Chemistry, The Graduate University for Advanced Studies, March 1999  
M.S. in Chemistry, Japan Advanced Institute of Science and Technology, March 1996  
B.S. in Chemistry, Iwaki Meisei University, March 1994

### EXPERIENCE:

April 2022 to present, Research Fellow, Max-Planck-Institut für extraterrestrische Physik, Germany  
Visiting Associate Professor, Tokyo University of Science, Japan  
April 2019 to September 2019, Part-time Lecturer, Faculty of Science, Shizuoka University, Japan  
April 2014 to March 2022, Research Fellow PI, Tokyo University of Science, Japan  
April 2009 to March 2014, Assistant Professor, Tokyo University of Science, Japan  
February 2008 to March 2009, Research Fellow (Equivalent to Assistant Professor),  
National Institute for Environmental Studies, Japan  
April 2007 to January 2008, Assistant Professor, Sophia University, Japan  
April 2004 to March 2007, Research Fellow,  
The Japan Society for the Promotion of Science (JSPS), Japan  
April 2002 to March 2004, Research Fellow, Basel University, Switzerland  
January 2000 to March 2002, Research Fellow, Fukui University, Japan  
April 1999 to December 1999, Research Fellow, National Astronomical Observatory of Japan, Japan

### RESEARCH FIELD:

Physical Chemistry, Molecular Spectroscopy, Astrochemistry, Radio Astronomy

### AFFILIATED ACADEMIC SOCIETY:

Chemical Soc. of Japan, Astronomical Soc. of Japan, Spectroscopical Soc. of Japan, Japan Soc. for Molecular Science, Japan Geoscience Union

### AWARD:

ESPEC Prize for the Encouragement of Environmental Studies, August 2021, ESPEC Foundation for Global Environment Research and Technology (Charitable Trust)  
Hinokigaki Prize (Award of excellent paper) December 2018, Society of Kanagawa Dental College,  
Original Paper No. 37  
The 3<sup>rd</sup> SOKENDAI Scientist Award, April 2017, The Graduate University for Advanced studies,
